Managing Director
SURYACHAKRA POWER CORPORATION PVT LTD

To Whom It May Concern:

Caterpillar, through its wholly owned subsidiary Caterpillar Power Ventures, has been associated with Suryachakra Power Corporation since 1997. During these ten years I personally had the pleasure to participate as a Director in the company. Our experience with Mr. Manepalli and the Suryachakra organization has been outstanding. Notwithstanding some significant issues which we faced together, the company always operated with the highest standards and in accordance with all local laws as well as the Shareholders Agreement. Without a doubt, Suryachakra is a highly reputable organization that provided exemplary leadership and corporate governance to our project company.

I would be pleased to answer any questions that you might have in regards to our experience with Suryachakra.

Sincerely,
